TRAINING DETAILS & FAQ

When joining the Live Event from a web browser make sure you are joining from Google Chrome or Internet Explorer. Other browsers are not supported by Microsoft Teams at this time.

If you are joining from a government device/WiFi and are having issues joining from your MS Teams Account, Join as a guest or anonymous and see if this allows you into the session. Otherwise, join by clicking "Watch on the Web Instead."

The session is a Live Event and will be accessible from the beginning no matter what time you start the training. Just note that the Q&A will be in live time.

USBTA Training is FREE for USBTA Members Only. If you are not a member visit
