## OVERVIEW AND INFORMATION

The Cybersecurity and Infrastructure Security Agency (CISA), Office for Bombing Prevention (OBP), in collaboration with the Federal Bureau of Investigation (FBI) Hazardous Devices School (HDS) and the United States Bomb Technician Association (USBTA) is conducting a Technology Training Event (TTE) to evaluate and assess current and emerging bomb disposal technologies.

CISA will host this event at no charge for current military explosive ordnance disposal and public safety bomb technicians to attend - parent agency, departments, or companies will be responsible for travel, lodging and per diem.

This TTE will expose technicians to cutting-edge equipment through real-life scenarios based upon current threats to our Nation and our Nation's bomb technicians.

## REGISTRATION INFORMATION

- To register, please visit the online event registration at:  
<https://cdp.dhs.gov/apply/to/25N-0484%20TTE>
- To apply for a FEMA Student Identification Number (FEMA SID), complete the one-time registration process by visiting:  
<https://cdp.dhs.gov/femasid/register>
